

## EXPECTS TO MAKE DEAL ON MINES

J. G. Barker, accompanied by his wife and two sons, returned yesterday from a visit of several weeks' duration to California points. Mr. Barker is the owner of some valuable mining claims in the Manhattan and Liberty sections and while in Los Angeles he interested a number of capitalists in that town in his property to the extent that within the next week or two they will visit the above named districts for the purpose of making a personal inspection of the ground.

If the property comes up to the representations made, and it surely will, for Mr. Barker makes no representations that he cannot back up, the Los Angeles people will more than likely organize a company to develop the claims.

## CLAIMS SERVICE WAS ILLEGAL

The case of the Tonopah Banking corporation versus R. W. Fairbanks, Dr. Edward Bowes and Martin Effinger, for \$2,000 on a promissory note, was tried in the district court yesterday and judgment was given the plaintiff for \$1,990 and costs, \$10 having been realized from the sale of some securities and applied on the note. But there is a string on the judgment and execution will not follow till some points of law are gone into and decided by Judge Averill.

It appears that though suit was filed against the defendants several months ago, service of summons was not secured till the Fourth of July when Bowes and Effinger were caught at the Reno fight and served with the papers. In a brief the attorney for the defendants claims that the service was illegal because it was done on a national holiday. Judge Averill has taken the matter under advisement.

## SPLENDID BILL AT THE BUTLER THEATER

The usual large crowd attended the Butler theater last night and enjoyed a good program. The pictures were very interesting and bright and clear. The hit of the evening was undoubtedly the singing of Miss Fitch. Her rendition of "Caresima" was splendid, and she responded to many encores. Commencing at today's matinee there will be another entire change of program at which time the following pictures will be shown:

"The Invincible Sword," drama; "The Golden Secret," a Mieses drama; "The ruins of Medieval Fortifications," scenic; and a Vitagraph feature film entitled "Her Uncle's Will."

Miss Fitch will sing some new songs and to miss hearing her sing will be missing a grand treat.

## GOT AS FAR AS COALDALE.

Bill Bragonich, a miner, who has been employed around Tonopah for a long time, attempted to leave the town yesterday without paying a number of bills which he contracted. Some of his creditors, however, had got an inkling of his proposed departure, so Chief of Police Malley was sent down the road on Monday's train to head him off. Sure enough, on Tuesday, Bragonich took the train, but had only got as far as Coal Dale when Malley nailed him and brought him back. Bragonich, whose debts are said to approximate \$500, now languishes in the "county." He will be given a hearing before Judge Atkinson this morning at 10 o'clock.

## OPERATED ON MONDAY.

Word was received from W. L. Moore yesterday to the effect that his eye had been operated on Monday at the Lane hospital and that another piece of steel, making the third, had been extracted from that member. The telegram did not state what Mr. Moore's condition was.

## DONOVAN WILL SPEAK.

General James Donovan, who is seeking the democratic nomination for attorney general before the coming primaries, will address a democratic meeting which will be held in this city tonight. The place for holding the session has not yet been announced, but presumably it will be at the Miners' Exchange hall.

## MEXICANS AND GREEKS MIX MATTERS AT BONNIE CLARE

In the Fight Which Followed One Mexican Is Killed and One Greek Badly Wounded Trouble Not Ended.

Word was received at the sheriff's office yesterday morning that late Monday night or early Tuesday morning a row had occurred at Bonnie Clare, on the line of the Tonopah and Tidewater road between the Greeks and Mexicans employed on the section gangs at that place and in the melee a Mexican was killed and a Greek shot through both legs and badly wounded.

Deputy Sheriff Marshall was dispatched to the scene on the 12:35 train, but up to a late hour last night nothing had been heard from him, so that particulars regarding the affair are meager.

As near as can be learned, how-

ever, there has been bad blood between the Mexicans and Greeks for a long time, one of the causes being that the Mexicans receive a higher scale of wages than the Bonhunks. They have had numerous rows, but these have been of the fistcuff order.

Monday night, though, after filling up on cheap booze, they both began making demonstrations, shooting off guns, etc., and it later culminated in the killing of the Mexican, who, it is said, was attempting to enter the premises where a number of the Greeks were living. The Greek who was shot was taken to the railroad hospital at Las Vegas for treatment.

## CALIFORNIANS SAY THEY ARE BEING BADLY USED

Patrons of Lake Tahoe Resorts On California Side Want Laws Changed so They Can Gamble.

The California and Nevada resort keepers on Lake Tahoe are at the present time fighting among themselves because of the gambling question. The claim is made that on the Nevada side of the lake the guests can gamble and on the California side they can't unless they do it secretly. As a result the Californians claim that they are being treated unfairly when not allowed to run games. Following is what the Nevada City Transcript has to say concerning the matter:

According to a Nevada citizen just back from Lake Tahoe there is considerable interest manifested in the fight that is now going on between the keepers of resorts on the California and Nevada sides of the famous watering place. All the people who go to Tahoe to spend the summer have money. Some of them have a superfluity of wealth, and they are always too willing to unload it on any old scheme or game.

On the Nevada side of the line there are always plenty of attractions to take the fickle coin from the unwary. Gambling is permitted in Nevada, and lining part of the banks of the lake on the Nevada side are resorts where the inordinately and indolent rich may "gamble their heads off" as Mayor McCarthy of San Francisco says.

Some of them gamble without stint or limit to the profit of the owners of the games.

It is easy to cross the lake from

the California to the Nevada side. This ability to gamble on the Nevada side of the lake has angered the keepers of the famous resorts of the California side. All the noted hotels and inns for the accommodation of visitors to Lake Tahoe are on the California side but the laws of California prohibit gambling. There is no gambling in the resorts unless it is done against the law. On the Nevada side they gamble openly and without restriction.

The Californians say this is unfair and that they lose a lot of money every summer by it. The officers of Eldorado and Placer counties, the counties in which the resorts are located, are trying to get the state government to interfere and adjust matters to their satisfaction. They say they are compelled to pay high rents and the season is short and that they are entitled to some consideration because of the heavy investments they have made.

So far these protests have gone unheeded and the officers of the county mentioned do not say how they are going to be stopped however much it may injure business of California. They say the only way is for the legislature to abrogate gambling laws, which is not likely, and let the resort keepers run wide open on the California side of the lake. The officers are strictly enforcing the law on the California side and this aggravates the Californians.

## A CARD.

Tonopah, Nev., August 16  
To the voters of Nye county:  
There is a rumor in circulation to the effect that I have withdrawn from the contest for the democratic nomination to the office of county clerk.

To the contrary I am still in the race and intend to stay to the end.  
Yours truly,  
J. A. TIMLIN.

## PAID ALL BILLS

## AND WAS RELEASED

J. W. Rownes, who was apprehended and held at Sparks last week for jumping out of Manhattan and leaving creditors in the lurch, paid the amount that he was held for to the Sparks officials and was released from custody. Sheriff Robb, on his recent trip to Reno, expected to bring Rownes back with him, but the matter had been adjudicated by telegraph before the sheriff reached Sparks. Rownes is now said to be located Sacramento.

## BASEBALL NEXT SUNDAY.

The members of the Tonopah baseball team have begun their practice work and expect to put up a strong game when they come in contact with Mike Cahalan's Goldfield nine next Sunday. Pitcher Prout is said to be in superb condition and expects to play one of the games of his life.
